

Assistant (Arts/Crafts) – Hollyhill

We need volunteers to help the people we support in Hollyhill to do Arts/Crafts. The volunteers will supervise people with an intellectual disability whilst doing the art work and will have opportunity to work one-to-one with some people. The hours we need covered are Weds 10.30 to 12.30 and 2 to 3.30 or Thursday 10.30 to 12.30 or Friday 10.30 to 12.30. We would welcome a volunteer who is willing to cover one or two of those slots.

We would like someone with a qualification in Art/Crafts. The volunteer must be able to relate well with intellectually disabled people and have some experience in art/crafts.

The volunteer will gain experience in the area of Art and with people who have an intellectual disability. Anyone interested in the area of Art Therapy would benefit greatly from this role.

If you are interested please contact Milly Farrell, Volunteer Coordinator, on 021-4643294 or e-mail volunteer@cope-foundation.ie
