

Tutor (Dance/Music) – Togher

A Volunteer is required to support some people with lower ability to gain personal expression and creativity through music and dance. This role will help people we support to understanding their own creativity.

Ideally this volunteer will have experience of working with people with an intellectual disability and would be enthusiastic in sharing their talent with the people we support. A qualification or an interest in the area of music and dance is preferable.

This position is based in Togher and the hours involved are Monday and /or Wednesday 2pm-3.30pm.

The volunteer will have many opportunities to learn and practice their skills and develop new friendships. It will also give great satisfaction in maximising opportunities for the people we support to do normal everyday things.
